Facts about Miami Valley Hospital

Mission: We will build healthier communities with others who share our commitment to provide high-quality, cost-competitive health care services.

Founded in 1890, Miami Valley Hospital is a full-service, acute care hospital located in Dayton, Ohio. Miami Valley has the region's only Level I trauma center and is a Magnet® hospital for nursing excellence. Miami Valley is a member of Premier Health Partners.

Services

- The area's only Level I Trauma Center with CareFlight, the area's only air ambulance service
- The only Regional Adult Burn Center
- Dayton's first accredited Primary Stroke Center with Neurology Unit/ICU
- The area's first high-risk maternity and neonatal intensive care unit in the same facility
- The area's first robotic surgery program and the only local program with four robots
- The Regional Chronic Kidney Dialysis and Regional Transplant Center; area's only blood/marrow transplant unit
- The area's largest center for emergency heart care and angioplasty for heart attack patients
- The Rehabilitation Institute of Ohio, one of the most comprehensive, hospital-based programs
