“This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Wright State University (WSU) and [Non-accredited provider]. WSU designated this Live Activity for a maximum of = **3.5 AMA PRA Category 1 Credit**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.”

DOC2DOC is a unique program developed for physicians by physicians.

DOC2DOC is a way for a physician to enhance development as a whole person. It is based on the idea that peers in medical practice have much to offer each other through supportive guidance and shared experiences.

Through working together in a DOC2DOC relationship, both physicians may rediscover the richness of their call to be a physician, find a renewed sense of meaning and purpose in medicine, and develop a meaningful sustaining practice.
