Premier Health's financial assistance program applies to qualifying services provided by Premier Health hospitals only. During your course of treatment, you may receive services from other providers who are not covered by this program. Below is a list of these providers. These providers may offer their own financial assistance program; please contact them directly to inquire. Because our provider list changes periodically, certain providers may not appear on the list. If you cannot find a particular provider, you may contact our Customer Service department at (937) 208-2777 or (855) 208-2777 for confirmation.
